## **An Invitation to Become a TNN Campus Cluster Coordinator**

*While you are counting your blessings  
... will you consider becoming one!*

TNN is ready to offer confidential counseling and practical support to any college student seeking a positive alternative to abortion. A student can contact TNN in the privacy of her home or dorm room via the Internet at our award-winning website: **[www.nurturingnetwork.org](http://www.nurturingnetwork.org)**. TNN can be reached 24 hours a day on our toll-free number: **1-800-TNN-4MOM.**

TNN's international Network of over 48,000 Member Resources is prepared to offer the non-judgmental, individually-tailored assistance a college woman needs when faced with the crisis of an unexpected pregnancy. Whether a student's need is for alternative housing, free counseling, medical care, legal advice, financial assistance, employment or an educational transfer, the Nurturing Network is ready and able to help.
